

Town of Iroquois Falls Employment Opportunity

Fire Prevention Officer – Full Time

Reporting to the Fire Chief, the successful candidate will:

- Develop, implement, provide, and evaluate fire prevention and public education programs;
- Conduct inspections and enforce the Ontario Fire Code and other relevant legislation and standards;
- Review various Fire Safety Plans and site plans, as assigned, with respect to code compliance and fire safety.
- Conduct post fire investigations and complete all relevant reports;
- Ensure that all suppression equipment is in a ready state at all times; and
- Be an effective team member whose contributions will assist in the achievement of organizational objectives.

Required education and work experience:

- Post-secondary education in Fire Inspection and Fire Safety Education, Fire Protection Engineering, or related program; certification related to fire prevention inspection; or, completion of applicable NFPA program and/or certification from the Ontario Fire College.
- Experience in fire protection inspection and/or enforcement or a related field.
- Experience in the design, function, installation, maintenance and operation of the following systems: sprinkler systems, standpipe and hose systems, fire alarm and voice communication systems, commercial cooking equipment ventilation and various fire protection systems.
- Possession of a valid Province of Ontario DZ driver's license with an acceptable driving record.
- Firefighting experience will be considered an asset.

A detailed job description listing all of the position's requirements may be obtained on the municipal website: www.iroquoisfalls.com.
